* ITEM-S400: (Continued)

CITY MANAGER SUPPORTING INFORMATION:

This action is to waive Council Policy 200-04 and authorize the City Manager to establish three-hour time limit unmetered parking on the north side of Imperial Avenue between 63rd Street and 65th Street. Staff evaluated parking at this site in relation to the criteria in Council Policy 200-04, Installation or Removal of Time Limit Parking Zones and Parking Meter Zones. Although it does not meet the threshold of the criteria in the Council Policy, the adjacent churches and businesses desire time limit parking in order to ensure that parking is available to visitors attending their functions and business. The installation of time limit parking will improve the turnover of parking and thereby improve access to their establishment.

The three-hour time limit parking zone will be effective 24 hours a day, seven days a week. This action is in accordance with Municipal Code Section 86.04.

FISCAL IMPACT:

Fiscal Impact is \$1,200. Funds are not budgeted for this purpose. However, Street Division will reprioritize other maintenance needs in order to complete this project.
